**For what's it worth** there is a Mount Pleasant Lions Web Site.

There has been discussion about creating a new Mount Pleasant Lions Web Site, but at this point we still have the current site. There is a lot of information on the site, and it is the quickest way to get updated meeting information. It's easily accessible by going to [mplions.com](http://mplions.com). Meeting information is towards the center; Membership Roster is to the left, but a password is needed...call John for the password. Want to know what committee you are assigned, then click on Committee Assignments. Clicking on Past Presidents provides a glance back to 1939 along with our Lion's club history. Policies and procedures were put together years ago and surprisingly how many people out side of the club use the "Contact Us" to inquire about glasses and BBQ tickets. Click on Lions Club Int'l for their web site, or view the district newsletter . Want to help pick up glasses, like Dana Rudoni is doing, then click on EYE GLASS PICKUP and view instructions. We do use Facebook too. Any member who would like to tackle a new web site development please note that we do have a web host to store files. If anyone would like to maintain the current site, it is an html program in Dreamweaver.

**We appreciate having our board meetings at Zion Lutheran Church.** The Mount Pleasant Lions extend thanks to Zion Lutheran Church for allowing us to meet monthly for our board meetings. Board meetings are open to all members and generally meet the first Monday of each month either in the Zion library or gym at 6 p.m.
